Mrs. Sallie Evans Glenn,
Seale, Ala.

My Dear Cousin Sallie:

Although I have never seen you and perhaps you have never seen me, but I have heard my father often speak of you. I have been getting up a genealogy of the Collier family back from the 15th century. A short time ago I discovered the grave of my Uncle Willaim Vines Collier that I have been looking for many years, or since the death of my father in 1908. In making this search I became acquainted with Judge A. H. Evans, your brother, at Montgomery, Ala., through the mails. I guess you know who I am. I am a son of Isaac Cuthbert Collier, a grand-son of Robert Marshall that lived at the Rock. I have been here at Barnesville since I was a boy in school. I have often-times been down to Columbus, and would have gone over to have seen you if I had known just where you were. Mrs. C. M. Wylie of Atlanta with whom I only recently became acquainted, gave me all this information. I would be pleased to hear from you, giving me all the data possible regarding your family, your mother, etc., who was my great-aunt. The genealogy that I have is very interesting indeed up-to-date. My son Durward Cuthbert Collier spent four months in Europe this past winter and visited Stone, England, Stafford County, the original home and burial place of Robert Collier who was a merchant in London during the 15th century.

I am now trying to find out the whereabouts of the Menafees. I have a history of Robert Collier my great-grand-father's family. of Upson County taken from the Upson County records. They state that they went to Bass County, Texas. Do you know anything af them since going to Texas. Could you give me any information at all. About two years ago, I discovered the family of Uncle Efford Cobb Collier in Texas. I had been searching for this family for fifteen years, but I am now in touch with practically every member of his family, and expect to visit them shortly. One of my Uncle Efford's daughters, now Mrs. Fannie Jackson is still living and her address is Goldthwaite, Mill County, Texas, C/o Hardy R. Collier.

I trust to see you sometime during the Summer as Seale is only a few steps out from Columbus. I have relatives and quite a few friends now in Columbus, and transact quite a good deal of business there, also sell jobbers quite a little bit of merchandise.

With sincere regards and good wishes, I beg to remain

Yours very truly
